NEWSLETTER

2010

Diary Dates

Here are a few diary dates for you to remember :-

Feb 13th Saturday

Black Powder Open Shoot
Help needed, especially kitchen help, so please pop down if you are able to assist.

Participations 2009

Your individual attendance summaries for 2009 are included for your reference.

Please note that I'll be printing, and sending, the club's official annual return to LSD during the first week of March, so please check your attendance details straight away, and, if you should find any errors or omissions, then let me know by February 28th at the latest, either via an email to ppc@ppc.asn.au or drop a note in the secretary box at the club, so that I can then update your details before I press the print button.

Don't forget the Golden Rule, and which is applicable for each calendar year, ie, (1) to retain your license you must have 10 attendances on 10 separate days, and (2) you must have 6 compulsory attendances and then 4 attendances for **each** class of handgun, eg,

1 Class of Target Handgun

$$6 + 4 = 10$$

2 Classes of Handguns

$$6 + 4 + 4 = 14$$

3 Classes of Handguns

$$6 + 4 + 4 + 4 = 18$$

4 Classes of Handguns

$$6 + 4 + 4 + 4 + 4 = 22$$

Financial Member Stickers 2010

For any of you that might not be aware, the 2010 financial member stickers are available at the club, so just see the duty officer or a committee member next time you are at the club.

Trash & Treasure Market

As a way of generating some additional income for the club, we are planning to have a stall at one of the local trash and treasure markets shortly, so if anyone has anything that they'd like to donate to the club for our stall, then please see Andy Ross.

Mornington Tip Tickets

Have you ever heard the old saying "rubbish in, rubbish out", no?, well, usually it relates to information retention systems and means that the information you receive is only as good as the information that was originally entered, however,

in this case it does actually mean rubbish, in that we have real rubbish at the club that we need to get out, so we are looking for some Mornington tip tickets if anyone has any that they wont be using and would like to pass our way. Please see Brendan Pingiario if you can help.

Where there's a Will, there's a Way

Have you ever thought about leaving a little something for your favourite club, the PPC in your will ?.

It doesn't have to be money, although that would be nice and extremely handy, but maybe your guns and equipment that could then be used by members in the club for years to come.

Target Wastage

Please use patched targets wherever possible, money is tight and we can't afford to waste it.

Jacketed Ammunition is NOT Permitted on any of our ranges

Please remember that jacketed ammo is not permitted on any of our ranges, and anyone caught using it risks membership cancellation.

Until next time
Bruce Bassett
